The 'Unaccompanied Child Form' is to be completed by a parent/guardian/responsible adult, stating address and telephone numbers in the town of departure and name, address and telephone numbers of person/s meeting the child on arrival. The form must be signed by a parent or guardian. A separate form must be completed for each travelling child.
2. The parent/guardian/responsible adult, nominated on the 'Unaccompanied Child Form' must be present at the departure point with the child for their safety and well-being, to hand the completed form to the driver and assist the child to board the coach at the start of their journey.
3. The child shall comply with any reasonable instruction from the Company and its employees, necessary for the child's safety and well-being and the proper conduct of the journey.
4. Should the child become ill en-route, the Company reserves the right to take whatever action it deems necessary to ensure the comfort and safety of the child. All costs associated with such action will be borne by the child's parent/guardian.
5. The child must travel with sufficient food and/or adequate funds for meals en route.
6. The company shall not be responsible for any loss or damage incurred by the child as a result of late boarding or failure to board, either at the initial boarding point or at any intermediate stopover point.
7. The parent/guardian/responsible adult, for assisting the child to board the coach at the departure point and collecting the child at the pick-up point must be at the timetabled coach stop 20 minutes before the expected arrival time according to the timetable.

8. The parent/guardian/responsible adult, described above, shall meet the unaccompanied child at the departure and destination, and satisfactory proof of identity must be produced in the form of driver's licence, passport, over 18 card or similar. This is to ensure your child's safety.

9. The Company will only disembark the child at a scheduled stopping point as detailed in its official timetable or any amendments thereto from time to time in force.

10. The only exception to Clause 9 is if the person responsible for the child is not present when the coach arrives at the child's drop off point and contact cannot be made with either the guardian/parent and/or the person/s responsible for the child at the pick-up point. In this circumstance, the child will be taken to the nearest police station.

11. The Company and its employees will accept no responsibility for unaccompanied children whilst in transit, however all care will be exercised where possible.

12. These conditions shall be read in addition to the Company's standard conditions of carriage and shall in no way alter, waive or modify those conditions. In consideration of the Company agreeing to carry the passenger described above (being an unaccompanied minor), I accept and agree to the conditions set out above and hold the Company indemnified against any loss or damage it is or may be liable for as a result of any act of omission or commission by the passenger.
