TransLink recommends customers use a GO card to save at least 30% compared to travelling on a single paper ticket. This can be used across all bus, train and ferry services in the TransLink network.

The afternoon trip from Roma Street station to Caboolture station is more expensive on weekdays because it is during peak travel times. Off-peak travel is between 8.30am and 3.30pm, and after 7.00pm on weekdays, Saturdays and Sundays, and all public holidays.

GO cards can be purchased at the Caboolture Train Station ticket office or at selected newsagencies.
